Principal's Message

“Change is the continuum of being-becoming. In the processes of becoming, being under-goes changes.” It is to my immense pleasure that College web site is functioning for us & all. We stand for all.” **Vasudhaiba Kutumbakama**”-The world of people is the clear manifestations of the lord-Himself. Through this website we can know about our past, present & mission of the future. Discipline, Morality & True education is our motto akin to personal values & institutional conduct with professional ethics. The overall display of internal states-of-affair will guide us along with more conscious one out-sides. The instruction knows how to act-in the voice of M.K. Gandhi that **“the inner voice of the people, is the voice of the God.”**
